AN EDUCATION on YOUR VACATION

“

This is a game changer. It's impossible to be average when you have the entire AORE team removing barriers, leading the way, and fighting for your success! This event changed my business, and most importantly it helped me grow into a professional Real Estate Investor! **AUBREY HOWARD**

Attend the Summit if you want your life changed! Simple.
DARLENE MURDOCH

”

The community of support I built at this Summit was the key to our business and personal growth over the past year. You can't put a fair value on the impact this has had on our whole lives! **JOEL CHITWOOD**

Whether you are a first time investor, or a seasoned investor, this Summit will take your business and financial IQ to the next level! **TRACIE AMRHEIN**

AN EXPERIENCE *to* CHANGE YOUR LIFE

Everyone who participates in the annual SmART Summit comes away with a new perspective on their future. You will create a 52-week success plan and learn from people who are doing it. You will set attainable goals; year after year, we hear returning AORE alumni reporting they have met and exceeded theirs. You will learn more than “how to become a real estate investor.” You will learn how to be a “life investor”... how to get more and give more of yourself than you have ever imagined.

Being removed from day-to-day distractions, learning how to succeed in real estate, creating and focusing on your goals, and making great connections while enjoying some of the most spectacular scenery in the world, is what the AORE Annual SmART Summit is all about.

ROYAL CARIBBEAN Harmony of the Seas
